

DIVERSITY STATEMENT

Ocala Civic Theatre was established with the premise that expanding diversity within the organization enhances the work life of our staff and the collaborative experience for our volunteers, which furthers the understanding of our entire mission.

An atmosphere of civility and mutual respect towards difference is indispensable to every facet of the work we do together as staff and volunteers and enables the free interchange of ideas that is the basis of a successful organization.

These differences may be cultural, ethnic, religious, intellectual, ideological, or political. Each of these qualities is integral to the identity we form as individuals, and all are essential to creating a vibrant workforce among our staff and volunteers.

OCT believes in a creative community of inclusion, respect for difference, and fairness, and guarantees the same rights to all its employees and volunteers to ensure the fullest degree of success within our organization.
